# MARK

U R C K

Mrs. Neale taught four classes of Senior English.

Watching your weight, Mrs. Neale?

An unfaltering guide and friend, Mrs. Vivien H. Neale deserves the recognition for making this annual a successful one. As sponsor of the yearbook staff for three years, Mrs. Neale has instigated innumerable improvements for which we all should be grateful. Her hard work and dedication were also evident as she assisted the homecoming committee this year. She majored in sociology and English in college and has proficiently taught both these subjects at Ferguson.

Beyond her duties as teacher and advisor, Mrs. Neale has been a loyal friend to many of us at Ferguson. She has understood our problems, assisted us with remarkable patience, inspired us with confidence, and encouraged us when we were disheartened. Sadly we accept her farewell to Ferguson, sincerely we extend our heart-felt appreciation to her.

It is to you, Mrs. Neale, that we proudly dedicate the '65 MARINER.

You don't say!

She cheerfully gives helpful suggestions.

What a friendly Mariner!

The staff will long remember our advisor, Mrs. Neale.

Teacher, Advisor, Friend

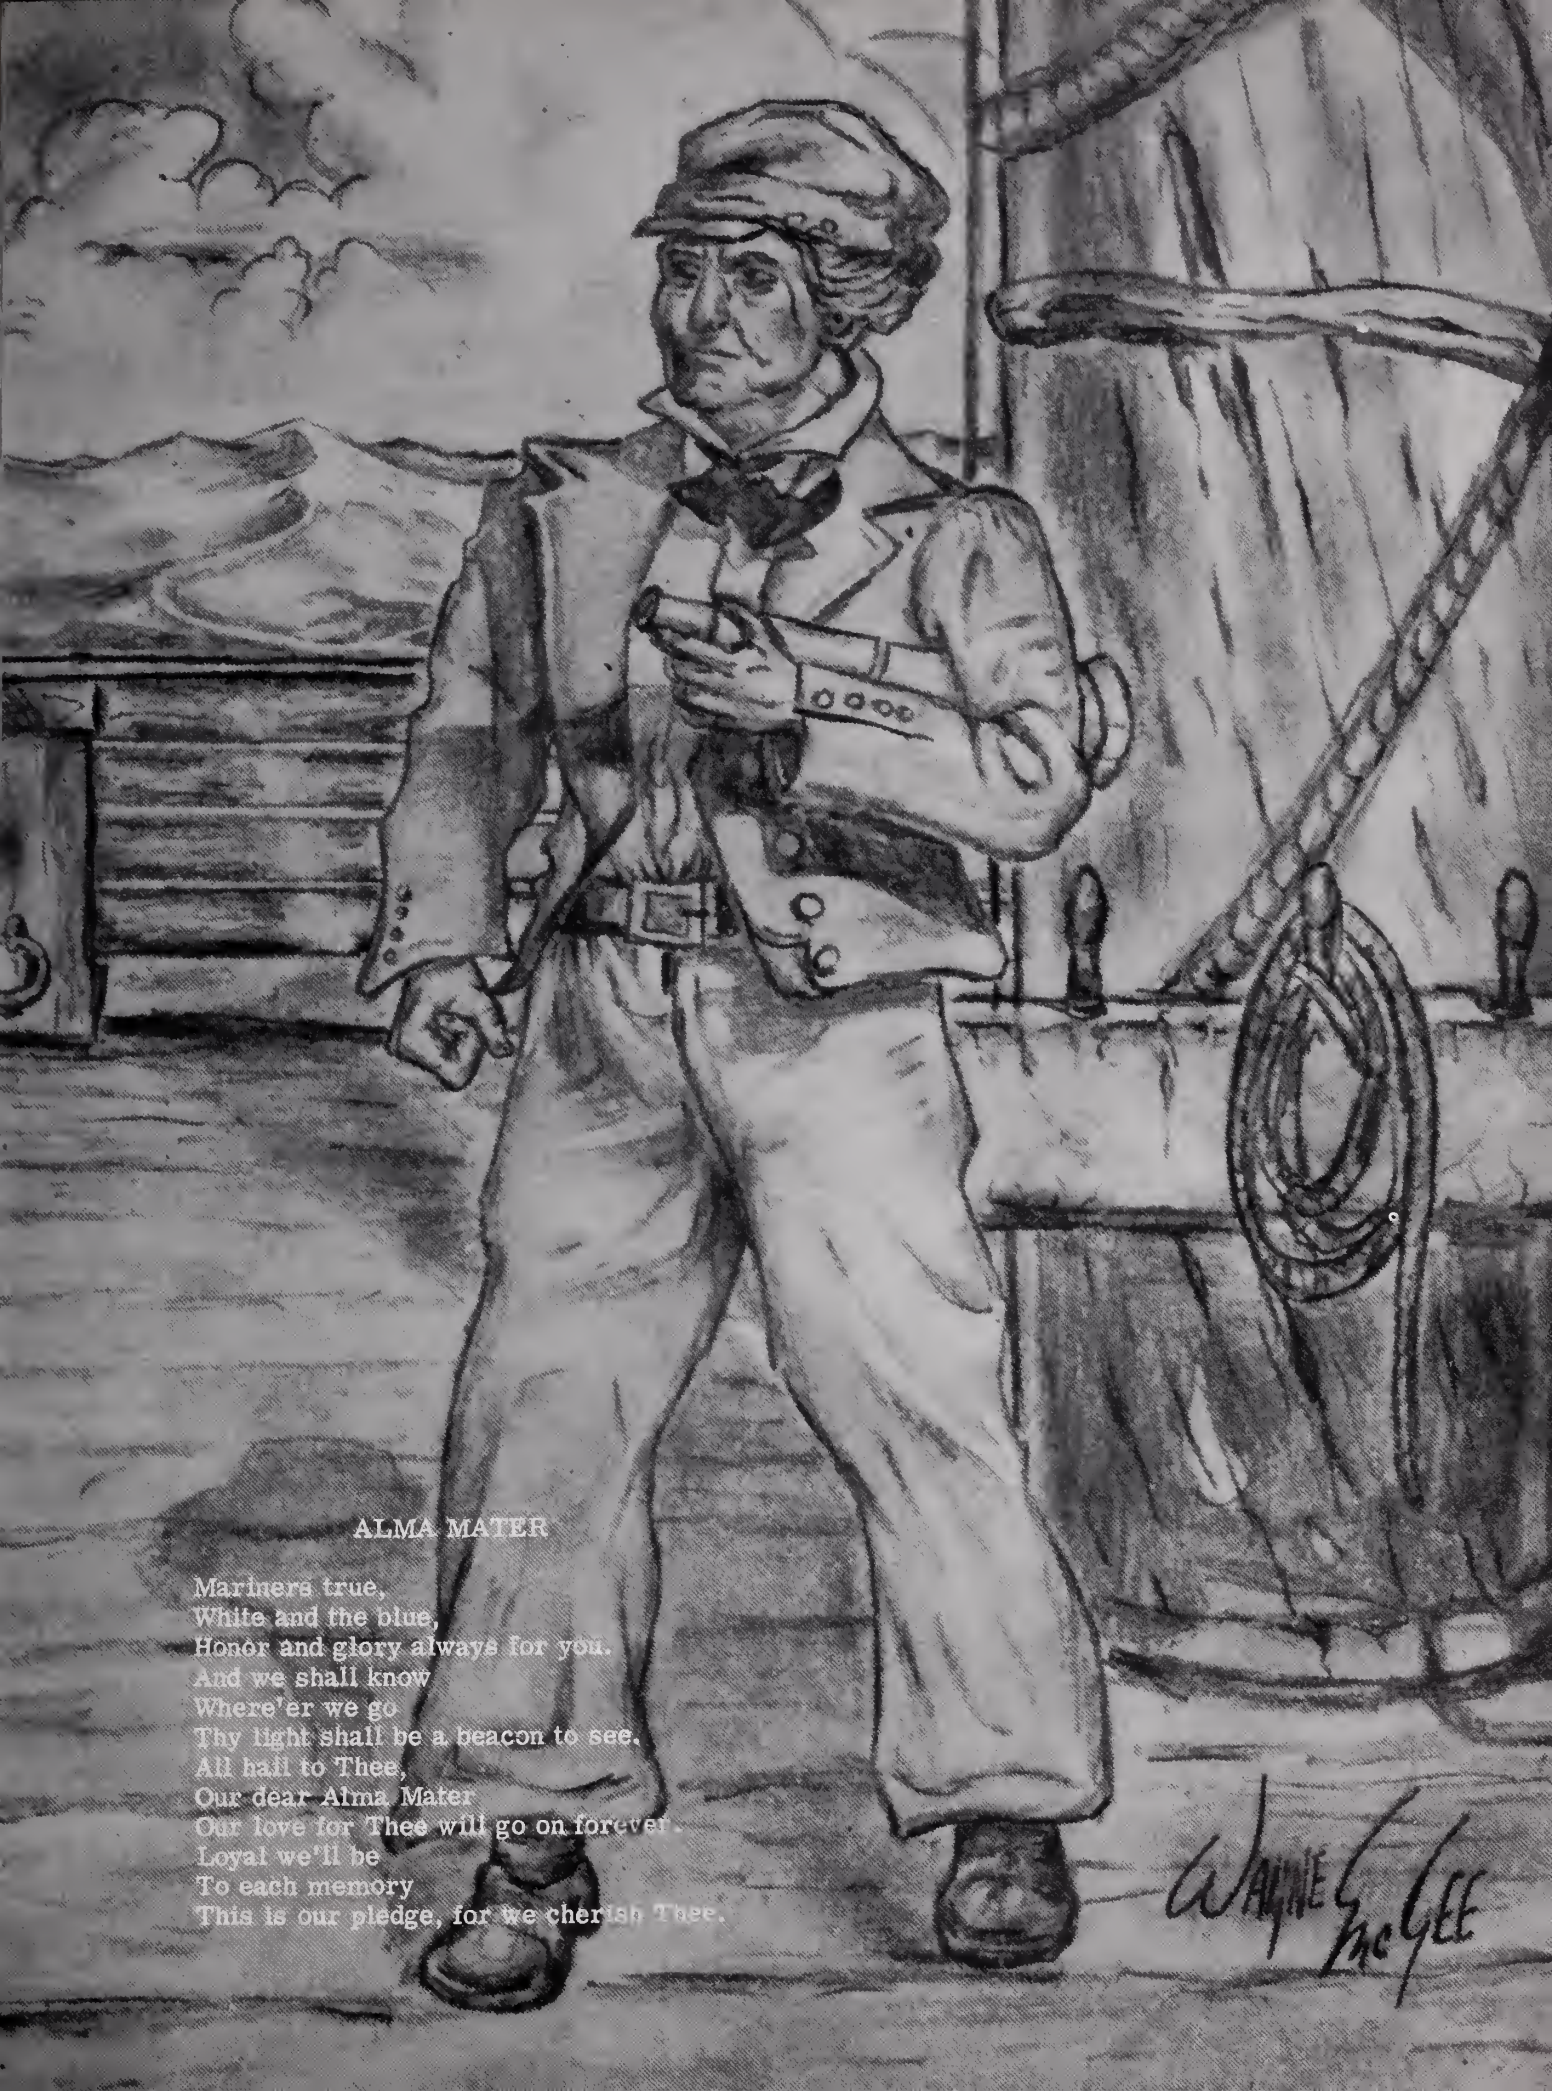

Mrs. Vivien H. Neale

A tree may be straight and tall, or it may be crooked and scrawny. A tree may grow each year, branching in all directions, or it may wither and die, lacking the strength to flourish. A tree may have numerous branches supported by a healthy, sturdy trunk, or it may have a few extensions jutting from a wavering, narrow torso. A tree may have colorful blossoms to brighten its existence, or it may strive in homely monotony. It is with deep-seated pride that Ferguson Mariners rightfully claim a firm collation of characteristics to the straight, tall, healthy tree.

The proof of this collation is apparent as we rummage through the pages of this pictorial history of that great and unforgettable year, 1964-'65. Recall the novelty of the fresh, exciting ventures we fervently pursued which successfully set precedents for the coming years. These are the signs of our branching growth. Notice the vast number of clubs and the fine quality of their works here at Ferguson. These are our majestic branches which are so well supported and aided by the faculty and administration--the firm foundation. Remember the events which budded so magnificently to perch forever on a limb of every Mariners' memory. These are our blossoms of joy. Now, as we turn the pages of this 1965 MARINER, a prideful student body of mighty Mariners shall be revealed as the totality of Ferguson's loftiness.

### ALMA MATER

Mariners true,  
White and the blue,  
Honor and glory always for you.  
And we shall know  
Where'er we go  
Thy light shall be a beacon to see.  
All hail to Thee,  
Our dear Alma Mater  
Our love for Thee will go on forever.  
Loyal we'll be  
To each memory  
This is our pledge, for we cherish Thee.

The surroundings of Ferguson provide a convenient locale for parties on the beach. Mariners enjoy gathering round an open fire during the leisure months of summer.

September returns all too soon for most students. Summer, however, is gradually overshadowed by homework and extra-curricular activities.

Lunch is a welcome break during the course of a busy Ferguson day. Warm weather encourages lounging on the patio, a pastime which ends with the abrupt call of the bell.

The 3:35 bell summons students to various activities including play rehearsals, athletic practices and club meetings.

# ADMINISTRATION and FACULTY

Within the following pages are pictured those people we must thank for making that all important asset, a well-rounded education, readily available to us. The administrators serve to insure that discipline, order and cooperation are maintained for better learning and teaching conditions. Ferguson is further blessed with services provided by efficient counselors, secretaries, clerks, librarians and others. Due to the mammoth number of students at Ferguson, these people are constantly busy.

Perhaps most pertinent to Ferguson is the superb teaching staff. Our school boasts a faculty of one hundred teachers, many of whom contribute of their extra time to sponsor extra-curricular activities. Their loyalty to this school and student body may be seen in their enthusiastic support of athletic events, stage productions, dances and concerts. (How can anyone ever forget that hilarious skit the teachers presented for stunt night!) Many of our teachers are presently furthering their own knowledge through individual research and work toward advanced degrees. Ferguson should be exceedingly proud of its well qualified, devoted faculty, administration and staff.

The office is the pivot point for all teachers. Before school they often meet here informally to discuss the day's plans and pick up last minute instructions.

In a teacher's busy schedule the lounge provides a place for relaxation. For the "floating" teachers it also provides a headquarters and a place for paper grading.

"It has been a tremendously exciting and enjoyable first year at Ferguson. To the students, the faculty and the community I would like to express my gratitude for memories that will be pleasant for years to come."

Mr. M. D. Pack

Principal

To Principal M. D. Pack may be attributed many of the policy changes which aided Ferguson in operating smoothly during 1964-65. As the new principal, Mr. Pack was faced with meeting hundreds of new people and making dozens of decisions which affected each of them.

Mr. Pack came to Ferguson from Fort Chiswell High School where he had served for four years as principal. Previous to his position at Fort Chiswell, he had served as principal at George Wythe Junior High, Thomas Jefferson Grammar School and Willis Elementary School.

At Concord College and the University of Virginia, where Mr. Pack earned his B.S. and M.Ed. degrees respectively, his studies were concentrated in the fields of history, art, English and social studies.

Ferguson is indeed fortunate in having as a principal Mr. M. D. Pack whose goal of coordinating the entire school program was partially realized this year.

Mr. Pack discusses a scheduling problem with Mr. Hughes.

Mrs. Mary L. Passage  
Assistant Principal

Mrs. Passage has been associated with the Ferguson staff for the past six years. Previous to her appointment as assistant principal, she was an active member of the English Department.

Mrs. Passage received her B.S. degree from Appalachian State Teachers' College and was awarded her M.Ed. by the College of William and Mary.

In addition to performing admirably her many duties as assistant principal, Mrs. Passage serves as adviser to the Ferguson SCA and is vitally interested in SCA work at all levels.

Mr. Frank L. Thompson  
Assistant Principal

Mr. Thompson received both his A.B. and his M.Ed. degrees from the College of William and Mary. Before becoming Ferguson's assistant principal, he taught math and last year held the position of attendance officer.

During the nine years that Mr. Thompson has been associated with the Ferguson staff, he has initiated many procedures which have served to lessen the confusion of a crowded school.

Mr. Agamemnon Vassos

Director of Guidance

Mr. Vassos received an A.A. degree from Old Dominion College and B.S. and M.Ed. from the College of William and Mary. His advanced study in the field of guidance and counseling has provided him with the background to fill the position of director of guidance at Ferguson for the past four years.

Mrs. Elizabeth R. Reynolds

Guidance Counselor

A graduate of the University of North Carolina where she earned an A.B. degree, Mrs. Reynolds has also done advanced study at East Carolina College and the College of William and Mary. Her areas of concentration were Romance languages and education. Mrs. Reynolds has been a member of the Ferguson staff for the past seven years.

Mrs. Charlotte H. Gaw

Guidance Counselor

Mrs. Gaw, who has been associated with the Ferguson staff for the past four years, attended Mary Washington College where she earned a B.S. degree and the College of William and Mary where she earned her M.Ed. in guidance. Before joining the guidance department, Mrs. Gaw was a teacher and department head in the business department.

Mrs. Virginia R. Pepper

Guidance Counselor

Mrs. Pepper attended the Women's College of the University of Delaware and the University of Virginia where she earned her A.B. and M.Ed. degrees respectively. Her fields of study were English, history, and secondary education. Mrs. Pepper, who has been at Ferguson for the past five years, is the sponsor of an active F.T.A.

Mrs. Mildred H. Carter

Guidance Director

English, history and guidance commanded Mrs. Carter's attention during her college years. After attending Ward-Belmont Junior College, Mrs. Carter attended the College of William and Mary where she was awarded A.B. and M.Ed. degrees. Mrs. Carter has been associated with the Ferguson staff for the past seven years.

Office Staff

Our office staff includes Mrs. Martha H. Oder, Mrs. Florence C. Stutz, Mrs. Juanita M. Granger, and Mrs. Margaret C. Crate. Mrs. Oder's jobs include sending college transcripts, typing, filing, and handling transfers. Mrs. Stutz handles various bookkeeping and filing chores. Working the office machines, typing letters, forms, and exams, writing absentee forms, and waiting on the counter are the duties of Mrs. Granger. Mrs. Crate does the bookkeeping and general office and secretarial work. These ladies are indispensable in the efficient running of school business.

Mr. Thomas E. Flaughter  
Attendance Officer

After teaching math for two years, Mr. Flaughter became our attendance officer this year. He is presently working toward his Master's Degree at the College of William and Mary.

Miss Helen E. Haverty  
Librarian

Miss Haverty has been at Ferguson for seven years. Her willingness to be of help to students is always appreciated. She encourages reading by sponsoring the Great Books Discussion Group.

Mr. Harry A. Harmon  
Activities Director

Before Mr. Harmon joined the Ferguson faculty, he taught school in South Carolina and at Newport News High School. Mr. Harmon has taught science at Ferguson for seven years.

Mrs. Alice H. Colbourn  
Library Clerk

For the past eight years Mrs. Alice Colbourn has served on the library staff as a clerk. She spends many hours performing her clerical tasks and advising students on their choice of reading material.

Mrs. Elsie S. Bradburn  
Library Clerk

Mrs. Elsie Bradburn has been a library clerk for the past two years. Before joining the library staff she was often seen substituting in the various departments of Ferguson.

Mrs. Nina P. Bateman  
School Nurse

Mrs. Nina Bateman has been an indispensable staff member since coming to Ferguson seven years ago as school nurse. She received certification as a registered nurse from Riverside Hospital.

Mr. William R. Hubbard  
Head Custodian

As head custodian of Ferguson High School, Mr. William Hubbard oversees the cleaning and maintenance of the school. His overall work in opening lockers and finding lost articles is appreciated by all the students.

Mrs. Alice M. White  
Cafeteria Manager

Ferguson's cafeteria manager is Mrs. Alice White. She plans well-balanced meals and supervises all cafeteria activity.

# ACADEMICS

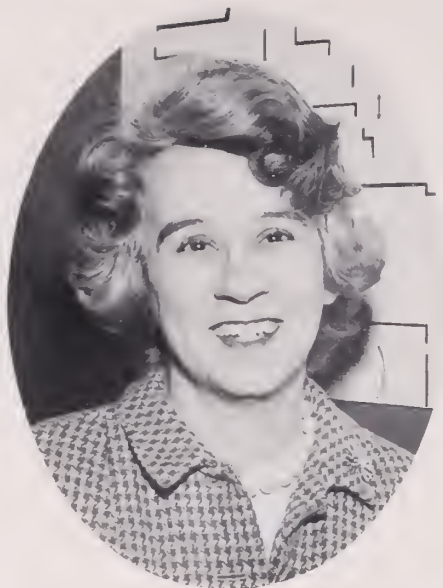

At Ferguson much emphasis is placed on academic quality. Even though conditions are crowded, students here may benefit from diverse aids to enlighten their studies. A modern language lab, a well-equipped chemistry lab, and an excellent shop are among the assets of our school. Teachers often make use of other aids such as films, records, speakers, or reference books. Most extraordinary is the overwhelming variety of electives offered to Ferguson's students. This year modern European history, business English, third year German, fifth year French, fourth year Spanish, preparatory D.E., music theory, and Boys' Chorus were added to the already large curriculum of subjects available.

Outside the classroom there are sundry clubs for students who wish to further exploit such areas as history, literature, science, languages, art, or math. The intellectual capabilities of Mariners are also displayed in debates, seminars, and speeches. An excellent example of the enthusiasm Ferguson has academically was the political rally which examined the issues of our national presidential elections. All of Ferguson benefited from the opinions expressed by adult guests as well as student speakers. Mariners receive further recognition for their academic ability through various honor societies and honor awards which are available.

Mrs. Elizabeth C. Smith  
Department Chairman  
English

Many hours of research are required in the preparation of the term paper. After facts are gathered and sources are cited, the seemingly insurmountable task of sorting, organizing, and writing still looms ominously before the student of English. Ellen ponders over her innumerable facts, theories, and fantasies concerning the love poetry of the Brownings.

An understanding of oneself often comes through his study of literature revealing the personal philosophies of great authors and poets. The study of American literature during the junior year affords students an understanding of themselves as well as their country. Agnes concentrates on both objectives in her reading of Emerson's essays.

Mrs. Mary Ellen Taback

Department Chairman

Math

The Math Department is divided into two programs--one for college bound students and the other for terminal students. Senior math analysis is a popular course among prospective graduates while underclassmen spend many hours mastering courses in general math, algebra and geometry. Within these courses, students find the slide rule to be an indispensable tool for calculating math problems.

The Math Department employs many methods in teaching the fundamentals of reasoning. This student is using the graph board to locate the abscissa and ordinate of a line segment.

Mr. William C. Underwood

Department Chairman

Social Studies

World geography provides students an insight into the countries of the world. Detailed map study helps students to locate easily the various places studied.

All social studies classes are urged to keep abreast of the times through reading and listening to current news. Reports on current events are common in most classes.

A government course designed to acquaint students with U. S. government is required of all seniors. During the national elections students were encouraged to exchange views. These students are debating the relative merits of the party platforms.

Skip explains to his sociology class the fallacy of misleading advertisements. Sociology is a popular elective dealing with social problems.

Mr. Henry G. Drudge  
Department Chairman  
Science

Chemistry provides the opportunity for students to acquire a basic knowledge of the composition of matter and the changes it undergoes under different conditions. Modern experimental methods are employed in proving theories.

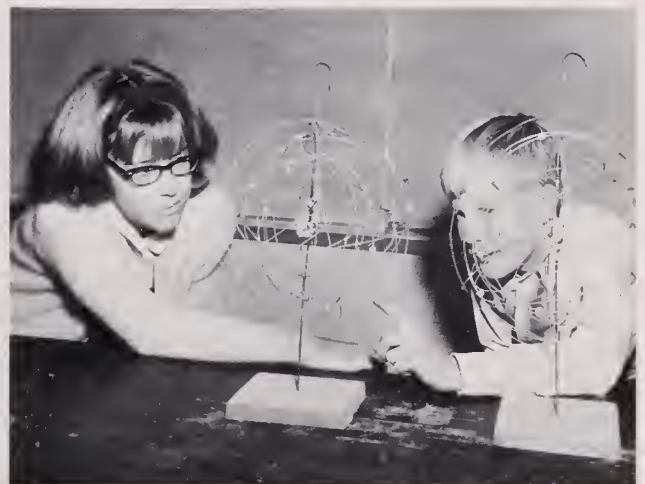

Biology students also learn about animal life. Often their study is enhanced by the dissection of the animals that are being studied.

In one phase of biology, plant life from its simplest to its most complex forms is studied. These students are marking off areas of the leaf for detailed study.

Through their course in earth-space, eighth grade students are kept up-to-date in modern science. The model of the atom helps students visualize the smallest particle of an element.

Mrs. Ruth B. Sanders  
Department Head  
Girls' Physical Education

Girls' physical education classes stress activities which have leisure time and personal value for the girls. Modern dance teaches coordination, poise, and self-expression.

Boys' Physical Education

Ferguson boys keep in top physical condition by participating in team and individual sports. Rope climbing proved to be a new challenge for the boys' gym classes.

Music

The varsity band spent long hours in preparation for their annual Christmas, midwinter, spring, and jazz concerts. Charles and Suzanne depict a typical practice session in the band room.

Miss M. Helen Barrow  
Department Head  
Homemaking

Homemaking classes are designed to teach valuable skills needed in the life of the successful homemaker. Sewing, cooking, and childcare are popular units of study for the girls AND boys taking homemaking.

Mrs. Helen P. Wilson  
Department Head  
Business

Typing is the most popular business course for both college-bound and career students.

Students bound for the world of business must learn to operate a multitude of machines. Among them are the adding machine, dictaphone and calculator.

Shorthand students drill daily to acquire proficiency. The tape recorder is a valuable asset in attaining this goal.

Mastering the art of advertising is a "must" for distributive education students. These boys are discussing the proper arrangement for an appealing display.

Mr. Horace Nims  
Department Head  
Foreign Languages

Extensive use is made of the language lab in the teaching of French. Marion checks her dictionary for a proper verb form.

Students often present plays to help them in speaking German correctly and naturally.

Several plays were written and presented by the Spanish classes.

In order to better understand the use of the language lab, students of this Latin class examine the control machine.

Mr. Archie Hughes  
Department Head  
Industrial Arts

Art students learn the fundamentals of drawing through the media of ink, oil, water color, crayon and charcoal.

To the astonishment of his audience, Ricky demonstrates the proper gesture to be used in a play being planned by his drama class.

Boys in woodshop are taught woodworking for both vocational and leisure time use.

Concentration and attention to detail are necessary in learning the art of designing machinery and buildings.

I'm glad I don't have to worry about my hair.

...ready!

## LADIES

Our ladies' man is Mr. Harmon!

Coach Begor extends soft words of encouragement.

# SENIORS

The Seniors are the leaders. They are older, wiser, and more experienced. At least this is the way Ferguson Seniors, past, present and future, like to describe themselves. Each year the Seniors must face added responsibilities while enjoying added pleasures. This year the pleasures came with the Senior privileges (a private lunch room and parking lot), the first place homecoming float, a successful hootenanny, college acceptances, the Senior Assembly and picnic, the Senior Prom and of course graduation. Or maybe graduation should be termed a sadness rather than a pleasure. Indeed, as usual, it was a little of both.

Responsibility is a pleasure also when Seniors are blessed with ability, support, and assistance. Mr. Donald R. Byrd deserves a hearty applause for so diligently serving and guiding the Senior class. The fine student leaders from this year's graduating class likewise merit recognition. Committee chairmen and committee members worked hard with the officers to fulfill their responsibilities and make possible their pleasures. A supporting administration and faculty along with a hard-working Senior class and a loyal advisor combined to issue forth a growth represented by the loftiest branch on our tree.

## "I BELIEVE"

I believe for every drop of rain that falls .

A flower grows.

I believe that somewhere in the darkest night

A candle glows.

I believe for everyone who goes astray

Someone will come to show the way,

I believe, . . . . . I believe, . . . . .

I believe above the storm the smallest pray'r

Will still be heard.

I believe that Someone in the great somewhere

Hears every word.

Every time I hear a newborn baby cry,

Or touch a leaf,

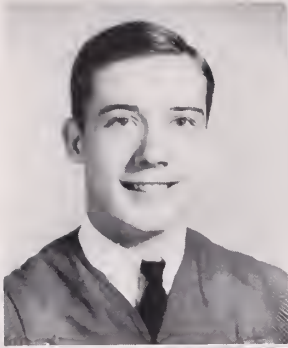

Or see the sky,

Then I know why

I BELIEVE.

## In Memoriam

KENNETH STEWART MAKEY

The 1965 MARINER pauses in remembrance of Kenneth Stewart Makey and Joe Hayes, two former Ferguson students.

JOE HAYES

of an unforgettable year.

'65

Submerged.  
Submerged beneath the conformity and apprehension  
Of a young self just begun.  
We anticipate

**\*\*SUCCESS\*\***

'the world is ours golden years have come  
live it well live it good these are the best years of our life the world is  
our oyster'

We clasp these cliches to our hearts and cling to them for ballast.

We trudge----climbing, stumbling.

Sometimes crying quietly in the dark.

Feeling futile----without direction

We think.

We begin to delve into the core of thought.

Straying from childhood proverbs.

Peering down shadowy channels and finding  
different stimuli to propel us forward.

Still

We cling together.

The Sarcastic and the Cynical.

The Romantic and the Frivolous.

All normal. All safe.

Protected actually.

And

We emerge.

We emerge as individuals.

Casting about for new answers to old questions.

For new ideals to mold new selves.

Trite cliches once held dear are

Flung to our rising successors to nurture and protect.

We are ready.

Our arrival is eminent for we have been well prepared.

A

Promise of the new and challenging affronts us---

but . . . we are ready---

at last . . .

# The Senior Assembly was high-

Ferguson "Munsters" take a close second to the real monsters!

Seniors were entertained by their own Shindig group.

The "Nomads" share the spotlight in the entertainment.

The Senior Assembly and Senior Picnic were combined this year to give the Seniors a full day free from school work. On June 28 the Senior Class entered the auditorium to watch the class assembly. The program featured skits patterned around popular television shows and was highlighted by the dedication of the 1965 MARINER to a very surprised and elated Mrs. Vivien H. Neale. After the assembly, the Senior Picnic was held at the Mariner's Museum. At 1:30, the Seniors returned to school and ended their day of fun with practice for graduation exercises.

Mrs. Neale's face shows her surprise at receiving the 1965 MARINER dedication.

# lighted by the Nomads.

Seniors arrive at the prom and cross the bridge to greet friends.

Even though the night was cool, punch was a welcome refreshment.

On the night of June 4, the Junior class presented the Seniors with their annual Senior prom. After completion of the last minute details, the Juniors eagerly awaited the arrival of the first couples. Amid much flurry and excitement, the Seniors crossed the entrance bridge and on the other

side of the waterfall found themselves in the Oriental paradise of "Sayonara". Chosen by their classmates for the honor, John Olney and Martha Smith reigned as King and Queen.

After being crowned King and Queen, Martha and John enjoy a dance.

Seniors dance to the music of Jett Rollo.

# Convocation marked the beginning

With this goal in mind Seniors entered into convocation.

Seniors file in and are seated by the Junior Marshals.

Seniors are held spellbound by the words of the guest speaker.

On Friday morning, June 4, the Seniors again gathered together for their final ceremony before commencement. They filed into the auditorium and were seated to the well-known strains of "Pomp and Circumstance". Sandy Wilson, our Senior Class president, welcomed the Seniors and their guests and then turned the program over to Father Creamer, the invocation speaker.

# of our final activities.

Father Creamer gave invocation.

Officials seated on the stage led the convocation proceedings.

The Reverend Hugh W. McClure III was the main speaker.

Seniors stand with bowed heads to receive the benediction.

The benediction was given by the Rabbi Arnold Task.

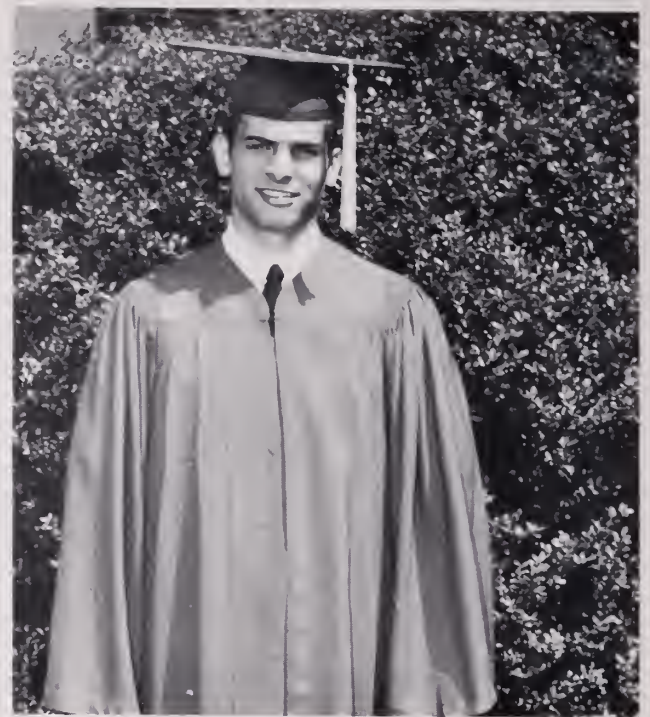

Mr. Pack introduced the Reverend Hugh Walker McClure, III as the main speaker. Reverend McClure reminded the Seniors of the goals they must strive for . . . individuality, purpose, and perfection. The benediction was given by Rabbi Task. The Seniors then rose and left to await the memorable day of graduation.

# These events were sustained through

Senior girls, dressed in white robes, await graduation.

For graduation ceremonies, the Senior boys wear blue caps and gowns.

Seated Seniors listen attentively to graduation proceedings.

The long awaited day of graduation dawned sunny and clear. Excitement filled the air as Seniors emerged from their homerooms in their blue and white robes. The graduating class was the largest in the city, numbering 434. The procession filed out four abreast to the music of "Pomp and Circumstance" and was seated on the front lawn. The popping of flashbulbs and clicking of cameras were not an unusual sight.

# the long awaited event—Graduation.

Co-valedictorian was Kathryn Eggers.

Ann Colasurdo shared the honor of being valedictorian.

Richard Larsen was the Senior Class salutatorian.

Kitty Eggers and Ann Colasurdo shared the honor of being class valedictorians for 1965. Unfortunately, Kitty moved to France and was unable to attend the graduation exercises. Richard Larsen was the class salutatorian. The main speaker for the graduation ceremony was Mr. M. H. Norris, director of secondary schools in Norfolk.

The valedictorian and salutatorian prepare to give their speeches.

The graduation address was given by Mr. M. H. Norris.

# Sadness and pride went hand in hand

After Mr. Norris completed his address, the Seniors sang the class song and the Alma Mater. Then they prepared to take the final step in their high school career. Solemnly they lined up and mounted the platform to receive their diploma from the principal Mr. M. D. Pack.

The Seniors line up row by row to receive their diploma.

As their names were called by vice-principals, Mrs. Passage and Mr. Thompson, the Seniors stepped forth, led by the honor graduates who were distinguished by their gold tassels. The benediction was given and the Seniors slowly walked out and returned to their homerooms.

Seniors in line anxiously await their turn to mount the platform.

The last steps are mounted and the diploma is received.

# as the Seniors took their last bows.

As our school officials leave, Seniors rise to follow.

Seniors gather in homeroom to return robes and get their diplomas.

In homeroom, robes were quickly discarded and Seniors received their real certificates of graduation. Thus one milestone of life was completed and we entered into the beginning of another.

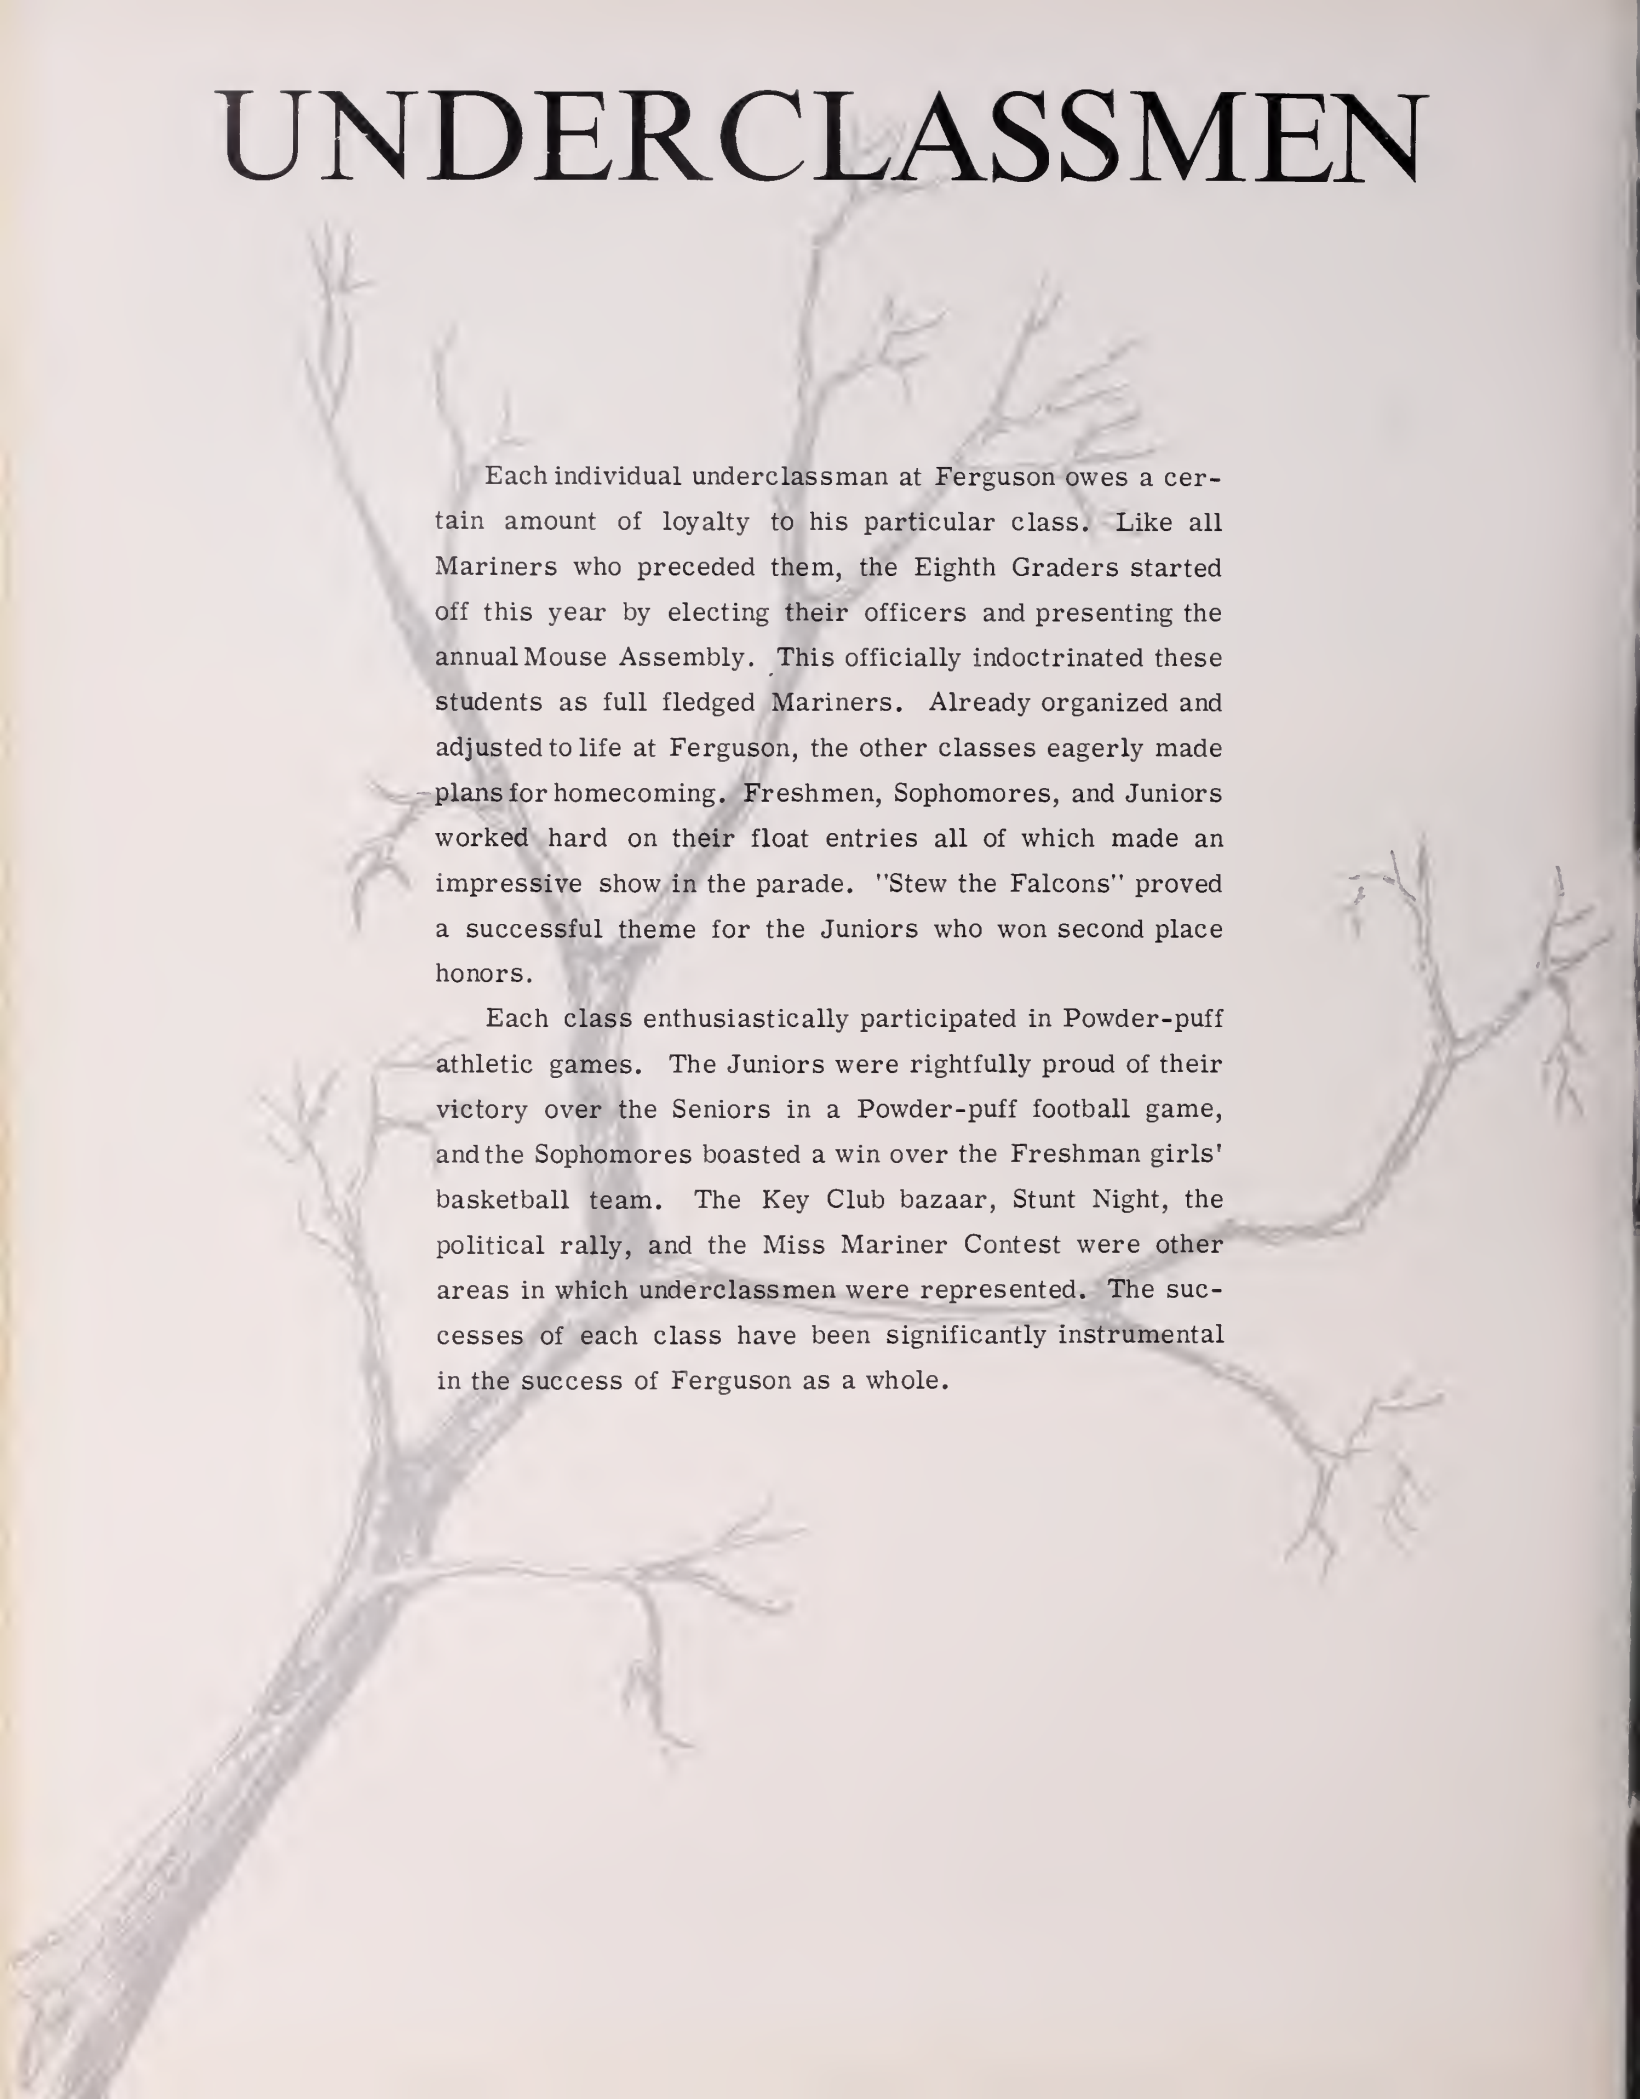

Mr. Pack and Mr. Norris mingle with Seniors after the completion of graduation.

Parents and friends await the arrival of the graduates.

# UNDERCLASSMEN

Each individual underclassman at Ferguson owes a certain amount of loyalty to his particular class. Like all Mariners who preceded them, the Eighth Graders started off this year by electing their officers and presenting the annual Mouse Assembly. This officially indoctrinated these students as full fledged Mariners. Already organized and adjusted to life at Ferguson, the other classes eagerly made plans for homecoming. Freshmen, Sophomores, and Juniors worked hard on their float entries all of which made an impressive show in the parade. "Stew the Falcons" proved a successful theme for the Juniors who won second place honors.

Each class enthusiastically participated in Powder-puff athletic games. The Juniors were rightfully proud of their victory over the Seniors in a Powder-puff football game, and the Sophomores boasted a win over the Freshman girls' basketball team. The Key Club bazaar, Stunt Night, the political rally, and the Miss Mariner Contest were other areas in which underclassmen were represented. The successes of each class have been significantly instrumental in the success of Ferguson as a whole.

# FEATURES

The highlights which added memorable moments of glamor and excitement to our school life are featured within the following pages. Several significant events which made their debut at Ferguson this year are included in this section. Opposite this page is pictured the winning float in Ferguson's first homecoming parade. The team effort of the entire student body was evident when our mammoth parade unfolded proudly down Warwick Boulevard. The Miss Mariner Contest, sponsored by the MARINER Staff, enters these pages for the first time. The contest proved to be a great success and a wonderful experience for the twenty-two participants. Students maintaining high scholastic records have also received feature coverage this year.

Returning as features again this year are the Band Sweetheart, the Senior Personalities, and the Outstanding Seniors. These people deserve to be honored for aspiring to Ferguson's hall of fame for the gifted, the ambitious, the affable, and the progressive. These people add merit to our school and these events add joy to our lives.

# Outstanding

HOPE MAYO

Hope's quiet reserve sometimes belies her wide scope of interest and achievement. Instrumental music played a large part in Hope's high school life. She participated in both the Senior and Regional Bands and during her Senior year she was awarded the highly coveted Arion Award for her outstanding band contributions. Hope was also active in the Math Club, the History Club and La Societe de Francais. She served her Sophomore Class as treasurer and as a Junior became a member of the National Honor Society. Hope, the "Most Intellectual" of her Senior Class, won the distinction of being a Merit Scholarship finalist.

HERBERT ALEXANDER WILSON

Senior Class President Wilson evidently proved himself to his classmates who elected him their "Most Likely to Succeed". During his Junior year Sandy won membership in both the Key Club and the National Honor Society. His early high school years found Sandy participating actively in the Senior Band and the All State Band. Service as vice president of his Junior Class well equipped Sandy for his duties the following year. Sandy was a member of the National Honor Society, the German Club, the Science Club and the Math Club and was an SCA representative. Athletics did not escape the attention of this outstanding Senior who was a four year veteran of the Varsity Tennis Team.

KATHERINE MARIE EGGERS

In addition to her high academic attainments, Katherine can recall with pride her contributions in the field of drama. She won school-wide recognition for her performance in "Teach Me How To Cry." A state award of excellence was presented this outstanding Senior for her superb performance in "La Plume de Ma Tante." Katherine became a member of the National Honor Society in the fall of 1964. During the last four years of her high school career, she participated actively in La Societe de Francais. Co-valedictorian Katherine Eggers lent her talent to the stage and her intellect to the classroom.

JOHN BOYD WILLEY

The scholarship, leadership and service of John Willey can hardly escape the notice of those who know the warmth of his friendly smile. An active Key Clubber since his Sophomore year, John served his club as president during his Senior year. The Math Club, Great Books Discussion Group and Pep Club also received John's personal support. During his Junior year John became a member of the National Honor Society and as a Senior he was selected as a member of the Senior Ushers.

LINDA ELIZABETH LACY

Linda's bubbling personality and tireless energy made her one of Ferguson's liveliest cheerleaders. Linda joined the cheering squad during her Freshman year. She was a member of the varsity squad during the next three years and was captain during her Senior year. Her interest in student government enabled Linda to serve her SCA as representative and parliamentarian and as a delegate to both convention and federation assemblies. Linda was elected by her classmates as secretary of both her Sophomore and Junior Classes and during her Junior year she was awarded membership in the National Honor Society. During her Senior year Linda edited the MARINER and was inducted into Quill and Scroll.

DAVID BRUCE STROYAN

No title could have been more appropriately bestowed than that of "Most Athletic" voted to David by his classmates. David's agility on the gridiron during his Freshman year earned him a berth on the Varsity Football Team, a position he retained energetically throughout the remainder of his high school days. David's athletic interests also extended to basketball. After playing for a year as a member of the Junior Varsity Team, he became a member of the Varsity Team and during his last two years the name Stroyan was often to be found in the sports column of basketball accounts. David was an active member of both the Key Club and the National Honor Society.

## HOMECOMING 1964-65

After many preparations, Ferguson's first homecoming parade proved to be a worthwhile venture.

The S.C.A. Social Committee, headed by Donna Crenshaw with the assistance of Mrs. Neale, brought to a climax a week of much excitement and enthusiasm.

At the stadium our distinguished guests judged all the floats on the basis of originality, theme, and general appearance. Awarded first place was the Senior entry with the theme "Proud as a Peacock", and second place honors went to the Junior Class.

All girls having a "C" average or better were eligible for nomination to the homecoming court. The football team selected from among the five Senior girls their choice as queen.

The homecoming spirit came to its peak at a dance honoring the queen and her court. Everyone enjoyed an evening of exciting music provided by the fabulous Fugitives.

Sandy Wilson—Senior

Mary Becker—Junior

Students featured on these two pages had the distinction of maintaining an academic average of 4.0 - straight A - for the entire year. Among the 2300 students listed in this year's volume, these seven were the only ones able to maintain the top average. Many hours of attentive listening, rapid note-taking and arduous study were required to meet the standards of academic superiority displayed by these students. The Juniors headed the list with four scholars, while the Seniors added two and the Freshmen, one. The Eighth Grade and Sophomores failed to produce a candidate for the 4.0 honor roll.

# ORGANIZATIONS

The bustling life at Ferguson is rightfully centered around the school's multifarious organizations. From among the approximately fifty clubs, any Mariner can select one to interest him. There is a club related to nearly any subject taught in the school and additional ones established for the purpose of service and fellowship. These clubs were formed due to the mutual interest of groups of students, and participation in these extra-curricular activities is constantly encouraged. It is through this participation that a student can gain confidence and experience to help him through adult life.

The central organization at Ferguson is the Student Co-operative Association or S.C.A. From it stems additional committees in which spirited Mariners may play a helpful part in bettering their school. Most of the major activities such as Stunt Night and Homecoming were sponsored by the S.C.A. Other clubs were responsible for dances, charity drives, and a bazaar. Ferguson may easily be proud of its variety of active organizations which serve to complement the valuable education acquired during the high school years.

The SCA is the recognized organization of all the students of Ferguson High School. Its aim is to develop characteristics of worthy citizenship and to encourage greater cooperation and responsibility among the students. Each homeroom is represented in the SCA congress which is affiliated with various state organizations.

Stunt Night and the homecoming festivities were the main projects which were very successful.

Money raised from the SCA-PTA refreshment stand was used for a scholarship for some worthy senior.

**The HONOR COUNCIL**  
promoted a feeling of  
honor and trust in  
Ferguson's student body.

Membership into the Honor Council is done through selection. In order to be eligible for this organization, the student must have a "C" average, a petition from his classmates, two recommendations from teachers, and he must write an essay explaining why he wishes to be a member of the Honor Council.

Although the council hears cases concerning cheating, stealing, defacing of school property, and failure to report an honor offense, it is considered a preventive element, not a court organization.

This year's Honor Council, pictured at the right, included (ROW 1) Miss Barrow, Advisor; Anne Holland, Chairman. (ROW 2) Anne Jayne, Corresponding secretary; Ellen Krause, Recording secretary. (ROW 3) Kathy Luke, Lisa Byers. (ROW 4) Irene Diamant, Kathy Kuhn. (ROW 5) Billy New. NOT PICTURED: Mr. Underwood, Advisor.

**The NATIONAL HONOR SOCIETY**  
won the Parent's  
Magazine Award for its  
tutorial program.

The National Honor Society, as an honorary organization, requires its selected members to have a "B" average. To qualify a student must be at least a junior and possess the qualities of leadership, character and service.

Annually, the Bank of Warwick awards the top twelve seniors in the Society. Those students honored were John Carrier, Kitty Eggers, Carol Flournoy, Norman Guthrie, Larry Ritchard, Richard Larsen, John Willey, Sandy Wilson, Hope Mayo, Deanna Lotz, Ann Colasurdo, and Brian White.

Membership included (ROW 1) Mrs. Smith, Advisor; Lee Byers, President; Richard Larsen, Vice president; Patrina Fabbri, Secretary; Anne Jayne, Treasurer; Brian White, Larry Ritchard, Norman Guthrie, John Willey, Ann Colasurdo, Kitty Eggers, John Carrier, Hope Mayo, Carol Flournoy, Deanna Lotz, Sandy Wilson.

The Student Guidance Association, which is composed entirely of students, was formed to develop the guidance services. Representatives distribute guidance materials, report guidance news, and promote guidance activities within the homeroom. Members of SGA must be sincerely interested in promoting the school's educational program, and they must have leadership qualities.

This year a Board of Directors was formed composed of representatives from each grade level. All major problems were discussed and solved by this board, and the answer was then handed down to the homeroom representatives. The homeroom representatives and the Board of Directors worked hand-in-hand to solve the daily problems of the student body.

**GUIDANCE AND OFFICE ASSISTANTS promoted and developed guidance and office services for our school.**

The Guidance and Office Assistants is a highly specialized group consisting of boys and girls specially selected for their work skills and interest in promoting the school's educational program.

This is a very important group within our school since it helps to determine the efficiency and effectiveness of the Guidance and Main Offices.

Members included (ROW 1) Mr. Vassos, Advisor; Lynn Wilkins, Betty Takis, Deanna Lotz, Bette Bloxom, Linda Blackwell, Judy Mansell, Joyce Culliton, Harlene Buck (ROW 2) Patty Furr, Dianne Nurney, Mary Wethington, Joy Butcher, Patty Osborne, Barbara Cunningham, Betsy Akers, Kaye Lester, Rita Gurley, Bonnie Laquidara.

**LIBRARY ASSISTANTS helped to co-ordinate the functions of the school's library.**

The Library Assistants received one credit for their year's work in the library this past year, but next year honor points will be given instead of credit for this library work.

This year's assistants were (ROW 1) Miss Haverty, Advisor; Kathy Nicholls, Betti Cox, Pamela Woerner, Bette Fulcher, Margaret Smith, Eliza Cox, Anne Sherman, Susie Carpenter, Linda Lipscomb, Sheila Simmons (ROW 2) Gail Mc-

The Windjammer Staff has been exceptionally successful in keeping the students informed in such spheres as activities, opinions, politics, and humorous occurrences within the school.

### **The WINDJAMMER transformed from a Bi-Monthly to a Weekly newspaper in 1964-65.**

The staff carried on critical surveys in hopes of obtaining public opinions and suggestions for their paper. The paper has also grown from a two-page edition to a four-page edition.

The HELM and other creative works were submitted for competitive criticism this year for the first time.

All students taking the full credit Advanced Composition course are members of the HELM Staff.

These students were responsible for the publication of Ferguson's literary magazine, the HELM.

This year's HELM Staff, pictured at the right, included (ROW 1) Dorothy Long, Mary Ruth Sanders, Business Manager; Linda Holland, Bonnie Jennings, Alice Bright. (ROW 2) Linda Harrell, Mrs. Hall, Advisor; Linda Heath, Becky Eames, Susan Absher, Meade Mitchell, Assistant Editor; Howard Puckett, John Glazebrook. (ROW 3) Pam Nickerson, Myra Phillips, Patty Furr, Diane Clark, Barbie Ford, Susan Jones, Editor.

QUILL and SCROLL strived toward the betterment of Ferguson's journalism.

The requirements for membership make the Quill and Scroll Society an honorary organization. This organization of journalism is designed, however, to be working in nature.

Each student is required to have made a significant contribution to a school publication, attain a scholastic rating in the upper third of his class, receive a recommendation from his staff advisor, and be either a junior or senior.

Membership included (ROW 1) Mrs. Feryn, Advisor; Phil Randall, President; Donna Crenshaw, Vice president; Linda Harrell, Secretary; Pam Woltz, Treasurer; Wayne McGee, Historian; Dorothy Long, Linda Lacy, Alice Bright, Myra Phillips, Diane Clark,

Yvonne Harris, David Crate. (ROW 2) Mary Smola, Susan Bryant, Susan Schultz, Mary Ann Plichta, Martha Henderson, Sue Wingfield, Elizabeth Orr, Susan Absher, Linda Pitts, Barbara Hoffman, Nancy Powers. (ROW 3) Lola Wentland, Pam

### SENIOR USHERS aided school assemblies

Senior Ushers is an honorary organization. Students who wish to become members must submit applications to the committee, and they must also have three teacher recommendations.

The Senior Ushers aided the student body in getting into and out of assemblies more easily.

Members, pictured at the right, were (ROW 1) Ellen Krause, Mary Ruth Sanders (ROW 2) Myra Phillips, Miss Fivel, Advisor (ROW 3) Mary Lou Byrd, John Willey (ROW 4) Richard Larsen, Skipper Vickness (ROW 5) Jim Onderdonk, Ed Reeves.

### KEY CLUB awarded sportsmanship trophies for the four major sports.

The Ferguson High Chapter of Key Club International tries to serve in any way possible both Ferguson and the entire community. It is an honorary organization whose members are screened by the administration and faculty.

The most important project for the Key Club was the presentation of the annual scholarship to a deserving senior. The Key Club bazaar, selling drinks and candy at home basketball games were two of their fund-raising projects.

This year's members, pictured below, were

(ROW 1) Mr. Byrd, Advisor; John Willey, President; Richard Larsen, Vice president; Ed Polhamus, Secretary; Steve Smith, Treasurer; Roy Carrithers, Norman Guthrie, Amr Arafa, Caxton Haughton, Tommy Taylor, Ricky Richardson, Billy New, Mr. Drudge, Advisor (ROW 2) Svein Lassen, Jeff McDermott,

Greg Breault, Harvey Soefer, Johnny English, Gil Via, Bobby Scher, Chip Yates (ROW 3) Lewis Barber, David Stroyan, John Olney, Tim Gill, Jeff Garnett, David Myers, Phil Drummond, Sandy Wilson.

Ferguson's Hi-Y sponsored a Mariner contest from which they obtained our Mariner symbol.

To create, maintain and extend throughout the home, school and community high standards of Christian character is the purpose of the Hi-Y.

Many projects were completed by the Hi-Y. Representation at Va. Model General Assembly as well as school clean-up projects were two of their activities.

This year's Hi-Y members included (ROW 1) Mr. Freeman, Advisor; Ben West, President; Mark Hughes, Vice president; Ed

Reeves, Secretary; Lee Hauser, Treasurer; Bill Watkins, Chaplain; Kenny Spencer, Reporter. (ROW 2) George Ritko, George Wiatt, Joe Glynn, Bill Short, Robert Winslow, Ronnie Jackson, James Newton, David Garland, Frank Rodgers. (ROW 4) Krieg Prusifull, Johnny Edwards, Tommy Caldrony, Bruce Cross, Robert Santiago, Paul Joyce. (ROW 5) Jimmy Colbert, David McNamara.

#### The DEBATE CLUB attended several tournaments.

The Debate Club is an honorary organization for all members must try out. This organization tries to improve the forensic skills of a student.

Members were (ROW 1) Mr. Carmines, Coach; Miss Tate, Coach; Steve Whitt, President; Jim Thurtell, Vice president; Ann Weatherwax, Secretary; Leslie Tiller, Publicity Chairman. (ROW 2) Elaine McNeely, Maggie Zepkin, Lee Bourque, Randy Strange, Don Storey, Betsy Bright.

**TRI-HI-Y placed a Christmas tree in the Senior Cafeteria to spread the season's joy.**

The Tri-Hi-Y is associated with the Young Men's Christian Association. The Ferguson Club is also affiliated with the state and national organizations. The club strives to create, maintain and extend throughout the home, school and community high standards of Christian character.

Projects included the giving of Halloween candy to the School for the Deaf and Blind and the giving of Valentines to Newport News welfare children.

Members were (ROW 1) Charlotte Thompson, President; Molly Reid, Vice president; Frosty Hoskins, Secretary; Toni Moon, Treasurer; Mary Lou Byrd, Reporter and Historian;

Pam Nickerson, Chaplain; Janet Jeffcoat, Bonnie Jennings, Betty Wood, Gloriann Power, Sylvia Bridges (ROW 2) Faye Carrithers, Debbie Blight, Myra Phillips, Dianna Newsome, Holly Hartwell, Genny Hutchinson, Nicki Byrn, Harlene Buck, Bette Bloxom, Linda Pitts, Dale Payne (ROW 3) Tamyé Hagginbothom, Nina Wolak, Bonnie Akers, Judy Jones, Pat Furr, Judy Sturgill, Becky Eames, Robin Van Thiel, Janet Fairfield, Glenda Robins, Julie Breeze (ROW 4) Joann Baker, Fran Sharp, Leslie Tiller, Sandi Chillington, Mary Jane Adams, Pat Verhine, Nancy Oxley, Becky Branch, Jeannie Spears, Reida Moon, Diane Jennings, Judi Kerwin.

# **HONORARY HISTORY CLUB** took a field trip to Washington, D. C. in February.

The Honorary History Club was organized to further the study of history outside the classroom. Members must maintain a "B" average in history. During the year members presented a number of projects and reports to the club, and in November Mr. Burke Davis, the noted Civil War author, spoke to the club.

This year Quill and Scroll presented honor certificates to various journalism students. These students are not members of the organization, but because of their great contribution to one of the fields of journalism within their school, they are given recognition and made honorary Quill and Scroll members.

Winners of the 1964-65 Quill and Scroll Honor Certificates were Barbie Ford, HELM Staff; Carol Sommers, WINDJAMMER Staff; Pat Weaver, MARINER Staff; Joyce Culliton, MARINER Staff; and John O'Hara, MARINER Staff.

# SPORTS

Athletics is an important part of school life at Ferguson. The boys who are active in competitive sports deserve our recognition and praise for their faithful endeavors to win fame and respect for the blue and white. Both teamwork and individual talent have combined at Ferguson to produce athletic teams with commendable records. The number of victories and defeats a team acquires depends entirely upon the proficiency and stamina of the boys who participate. Much credit, however, must be given to the fine coaching staff at Ferguson. The knowledge and experience of our coaches passed on to our boys have produced fine athletes and thus provided Ferguson with winning teams.

Aside from skill and ability a team must have support. Team spirit must be kept high or defeat is likely. Traditionally it is the job of the cheerleaders to enhance a will to win and encourage good sportsmanship in the athletes. At Ferguson ALL Mariners are faced with this duty. School spirit finds its best opportunity to shine at athletic contests where the public may come to judge. It is to those Mariners who attended the games to give our team support and encouragement that we owe thanks for representing our school well.

Coach Bill Cox has always been active in sports. While at Marshall High School in Richmond, his main interest was in baseball. Coach Cox also won the honor of being elected "Best All Around" by his Senior Class.

During his years at Randolph Macon College, Coach Cox continued to distinguish himself in sports, playing both baseball and football. As an outstanding football player he gained a place for two years on the second team of the All Little Eight Conference and then one year on the first team. He graduated in 1958 with a B.A. degree.

Coach Bill Clark is another hometown boy. He attended Warwick High School where he participated in both football and track and was a member of the Glee Club and A Cappella Choir.

While at Randolph Macon College Coach Clark continued to participate in football and track and he also became a member of the swimming team.

He graduated with a major in English and a minor in Economics. With this degree he taught for four years at Douglas Freeman High School in Richmond.

For the past four years Coach Clark has been teaching English at Ferguson as well as coaching our football and track teams. Reading and listening to semi-classical music interest him in his spare time.

A graduate of Sevier County High School, Sevierville, Tennessee, Coach Bill Owenby was always active in sports. He played football, baseball, basketball and was also a member of the track team. He was voted "Most Athletic" of his Senior Class.

Sports were also important to Mr. Owenby during his years at Maryville College. He was twice selected as the most valuable member of his football team and he also won the State Javalin Championship.

Since his graduation in 1962, with a B.S. degree, Coach Owenby has been teaching physical education and coaching football, basketball and track at Ferguson. Besides this, Mr. Owenby enjoys golf, softball and tennis.

The Mariner season began with an away game against the Hampton Crabbers at Darling Memorial Stadium. The Hampton team proved to be strong and the game ended with a Crabber victory of 25-6. The Mariner touchdown came on a pass from David Stroyan to Johnny Glazebrook.

The Ferguson Crew began their home campaign successfully with a 13-0 triumph over the Kellam Knights. The half-time score read 0-0 but the Mariners sparked up the second half with two touchdowns by fullback Larry Perok. Richard Gabriel and Jimmy Nelson both intercepted passes to halt Kellam drives. The Mariner defensive front line proved strong and Ferguson won its first home game.

The Mariners played their third game across the river where they were stung by the Hornets of Deep Creek. Time after time our boys in blue were stopped short of the goal. The second half proved more fruitful for Deep Creek. Final score gave the Hornets a narrow win of 14-13.

Ferguson's home winning streak was kept alive with a victory over Kecoughton's Warriors. The first half proved to be mainly a defensive struggle. Our "big points" finally came when Glen "the toe" Greening kicked a 30 yard goal and gave the Mariners a 3-0 victory.

The Ferguson Mariner team was not up to par against Cox at Cox Stadium. The first half ended with the score 20-0 in favor of Cox. The second half saw the Mariners stalled on two pass interceptions and they never got close enough again to score.

The powerful Tigers of Oscar Smith hosted the Mariners in their next game. Both teams seemed to be evenly matched. The only score for Ferguson came from a field goal by Glen Greening. Both the Mariner's offense and defense were strong but not entirely effective. The final score gave the victory to Oscar Smith, 7-3.

Ferguson won their third game of the season with a resounding victory over the Suffolk Red Raiders. Passes by David Stroyan to Johnny Glazebrook and Rick Gabriel proved successful while Gordon Ivey was a key player on the Mariner defense. The triumphant score was 35-0.

The York Falcons played before Ferguson's homecoming crowd. A fumble by York gave the Mariners their break and Rick Gabriel successfully scored. Drives by the Mariners also proved fruitful. A pass by David Stroyan to Johnny Glazebrook put the game out of the Falcons' reach. The final score of 27-7 gave the Mariners their fourth victory.

Ferguson traveled to Saunders Stadium with the hope of defeating the powerful Typhoons. A referee's decision deprived the Mariner's of their single touchdown. Newport News' passes proved to be the only scores in the game; the Mariners were constantly held by the Typhoon's strong line. The final score was 19-0.

Tensions were at a high pitch when the Ferguson Mariners clashed with the Warwick Farmers. By the end of the first half, Warwick had a lead of 7-0. The second half, however, proved brighter for Ferguson. Using a pass interception by Jimmy Schoer, Larry Perok crossed the goal line for the first Mariner touchdown. Perok proceeded to make the second touchdown and Jimmy Schoer, on a pass interception, gained the third and final Mariner tally of the year. Final score, 21-7, gave the victory overwhelmingly to Ferguson.

# NAME

The Mariner cage quintet proved to be the best team that Ferguson has ever boasted. The team had their first winning record with a 10-9 record.

The season opened quickly for the Mariners with three successive wins over Kellam, Virginia Beach, and Churchland. Arch-rival Warwick dumped the team but they rebounded with a hard fought win over Kecoughtan. Newport News proved to be too powerful but Suffolk was defeated before the Mariners lost their second game to Warwick.

For the first time in Ferguson's history, the Mariner basketball team defeated the Hampton Crabbers. Three additional wins were recorded over Princess Ann, Kecoughtan, and York before

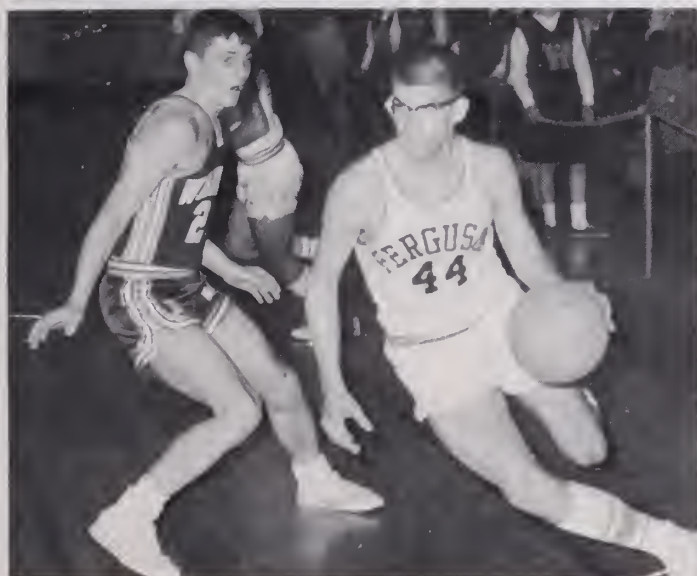

# GAME

the team hit a slump. Kecoughtan, Maury, Newport News, Warwick, and Hampton then triumphed over the Mariners. A final victory over York ended the regular season.

Ferguson for the first time entered the Eastern District Tournament and their opponent was Princess Ann. The Mariners played a good game but lost a thriller 75-66.

Mainstays on the squad were Johnny Glazebrook, Joe and Johnny English, Curtis Willis, Dennis Taylor, Barry Rowe and Bob Vasquez. These boys played well and brought Ferguson its first winning season in basketball. Johnny Glazebrook was an honorable mention player in the Eastern District.

# Pin-ups

Ferguson's wrestling team proved to be a very powerful group. They quickly opened the season with four big wins over Virginia Beach, Craddock, Princess Anne and York before falling to Norview. The Mariners had a resounding victory over Kecoughtan but then lost to the perennial state champion Granby. Another victory was picked up over Kellam but a tenacious Maury squad proved too powerful for the Mariners.

This year the Mariner grapplers carded their first victory over Wilson and tied Great Bridge. They were also victorious over arch-rival Warwick and Cox. The Mariner wrestlers ended the regular season with a 9-3-1 record while in tough District A competition, they were tied for fourth place with a 4-3-1 ledger.

The Mariners went to Richmond where they won the Central District Championship with 117 points. First places were recorded by; Mark Hughes, Lee Hauser, Roy Carrithers, John Jaenig and Bobby Farino.

The Chesterfield Invitational meet officially opened the Indoor Track Season for the Mariners. In this meet Richard Gabriel placed third in the high hurdles and Linwood Talton placed second in the 50 yard dash.

In the first of two dual meets, Ferguson was victorious over Kecoughtan, 56-44. Lee Abrahamson won the high and low hurdles while Talton won the 60 yd. dash, broad jump and placed second in the 500 yd. run. In the second dual meet, Ferguson thumped Warwick, 51-26.

At the Portsmouth Invitational, Abrahamson again earned first place in the highs and lows. Talton won the 60 yd. dash and Carl Kolling placed second in the 600 yd. run.

The big event finally came with the State Track Meet at Lexington. The Mariner team placed fifth in the State. Lee Abrahamson became the state title holder of the high and low hurdles, while Gabriel placed fourth in the low hurdles and Kolling fifth in the 600 yard run. A severe blow came to the Mariner team when Linwood Talton broke his wrist in a preliminary event. Even though Talton was unable to compete, the track team well represented Ferguson.

Led by Bill Shivar and Tommy Caldrony, the team went into the Eastern District Tournament highly favored. When the tournament ended and the upsets were recorded, Ferguson finished in third place. Tommy Caldrony was tournament champion in the number two singles matches, while Bill and Walker Shivar won the number one doubles title. At the state tournament all placed third. Kenny Spencer, Sandy Wilson, Richard Larson, Gene Tingle, Svein Lassen and John Hickson also played a big part in the season's success.

The Mariner cinder crew had a very successful season in dual meets with wins over Warwick, York, Kecoughtan and Hampton. The only losses recorded were to the top notch teams from Newport News and Great Bridge. All through the season, the Mariners were led by Linwood Talton and Lee Abrahamson. In the Colonial Relays, Abe tied for first in the high hurdles while Talton took fourth in the hundred yard dash. At the Tidewater Meet Richard Gabriel placed fourth in the highs; Talton was fourth in the hundred; and Kerry Smith took third in the triple jump. The Peninsula Relay brought Sam (Bo) Waddill a third in the 440, Jimmy Utley a third in the pole vault and Gil Via a third in the high jump. The only first recorded was by Kerry Smith in the triple jump. At the NATO Relays Abe took second in the highs; the relay team composed of Talton, Gabriel, Abe and Waddill took second. In the big Eastern District Tournament Abe took second in the highs and third in the lows. Talton took a third in the 440, and the relay team again took a second. Abe took a first in the lows at the State Meet in Williamsburg. The Mariners placed three men on the All-Peninsula Team: Abrahamson in the hurdles, Talton on the relay team, and Kerry Smith for the triple jump.

The Baseball Team posted a very impressive record this spring. They were 8-6 for the season against all comers. The nine were led by All-Peninsula pitcher Frankie Heidt with a 0.36 ERA and batting champion Jimmy Schroer also on the All-Peninsula Team. Roy Carrithers made the All-Peninsula Team for the second year running at second base while Raymond "Cisco" Santiago made it for his exploits in center field. Rounding out the capable Mariner Team were pitchers Glen Greening, Bernie Sheetz, catcher Wayne Harris, third baseman Jerry Scharnus, shortstop Bobby Farino, outfielder Bruce Hitt and utilityman Curtis Willis. These boys took the brunt of the season and the "running" of Coaches Harold Butler and William Cox.

# 1964-65 Varsity Cheerleaders

Sandra Lake, Cindy Rice, Pam Palmer, Nancy Powers, Barbara Huffman, Susan Fowler, Linda Ball, Charlene Phillips, Linda Lacy.

Mrs. Copes

Ferguson's spirit was sparked by nine vivacious cheerleaders. Their influence was seen everywhere as they led pep assemblies, planned bonfires, decorated locker rooms, developed themes for the games and made special favors for the players. They followed the Mariner teams from town to town, often during inclement weather, and their faithful presence on the sidelines was an encouraging sight for the boys in blue and white.

Although Junior Varsity Cheerleaders experienced only a few afternoon football games, the thrilling novelty of cheering excited them all. Basketball season brought a busier season for the now confident pepsters. Each girl cheered with enthusiasm looking hopefully toward varsity tryouts in the spring.

# STUDENT LIFE

Personality, vitality and versatility are words describing a youthful student body with countless things to do and places to go. At Ferguson the students are alive and on the move. Thus we find student life is an interesting subject providing the material for comical as well as meaningful pictures. The vastness of student life cannot be easily described as it must include all phases of school activity. In this section we chose to deal with the "extras" of the year. These are the events which the students are responsible for and which resulted in the most fun for them.

Both lively, happy times and solemn, serious times comprise the mood of student life. If we think back just a moment we shall surely recall experiences of both types. There were political rallies and school elections which proved successful for some while disappointing to others. There was the powder puff game which thrilled many Juniors while disheartening as many Seniors. Student life is unforgettable. Mariners will remember their experiences at Ferguson for innumerable years to come. Turning the following pages may bring to mind a few fond recollections.

## Amr Arafa

Amr found American kittens as companionable as Egyptian camels.

As the school year progressed, more Mariners became familiar with our foreign exchange student as he was seen in the halls or classrooms. Amr Arafa came to Virginia last August and resided at the home of SCA President John Olney. Coming from Egypt, Amr found our country most unusual but challenging. Ferguson will be fortunate indeed if in future years our American Field Service can bring students from foreign countries who will be as warm and receptive as Amr.

One of Amr's pastimes was playing horseshoes with John in the Olney's yard.

Amr soon made himself at home!

Amr was permitted to come and go as he pleased.

One of Amr's most difficult courses was the Senior courses in genetics and advanced chemistry.

The Powder Puff Court consisted of (LEFT TO RIGHT) Woody Fitzgerald, Dennis Taylor, Queen John O'Hara, Svein Lassen, Art Casey and Ricky Richardson.

The Powder Puff game involved long hours of practice, the initiation of somewhat dormant muscles, the purchase of new emory boards, A - N - D the preparation of a lovely Powder Puff Court.

The result of the game was a Junior victory of 12 to 6.

Linda Caracciolo catches a fake pass while other Seniors stand by to tackle.

Mary, Kathy, Cindy and Travis go over a few passes.

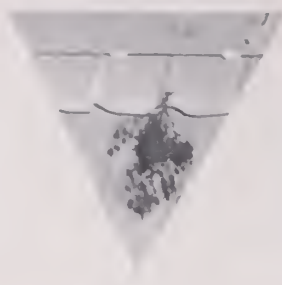

Quarterback Sandra Blankenship practices Senior plays with her fellow players.

This is the first technique the Junior girls were taught - how to look glamorous while playing football.

The Choral Department had many successful productions, one of which was the annual Christmas Concert. Featured were the Girls' Chorus and A Cappella Choir dressed in semi-formal attire. At this concert, Mr. Tony Auby, the director, was presented with a \$25.00 gift certificate and a gold watch.

Mistletoe!

Other concerts given by the Choral Department were the annual Spring Concert, where the Boys' Glee Club made their first appearance and a special concert with the Duke University Men's Glee Club. Both the Girls' Chorus and A Cappella Choir performed for churches and other organizations in the community.

Many of the selections presented by A Cappella were staged.

Choristers decorating the Christmas tree set the mood for "There's No Place Like Home for the Holidays."

Singing while seated about the tree proved very effective.

Marty King, the president of A Cappella, presented a gold watch to Mr. Auby from the entire A Cappella Choir.

Ferguson's Mariner and Cadet Bands experienced a very successful year. A new sound in music was enjoyed by all as the Mariner Band presented its first Jazz Concert. The dress was very casual, the boys wearing ascots and shades, the girls in skirts, sweaters and berets. At the Christmas Concert, the Band Sweetheart and her court were presented, and Mr. Randlette was given a gold watch. The annual Mid-winter Concert was a big success in raising funds for the trip to New York. The year was concluded with the formal Spring Concert where band awards were presented.

The Cadet Band participated actively in many local events and brought home many awards to attest to their talent. They, too, presented an awards concert.

In addition to music from the band, the audience was fortunate enough to hear a vocal selection from director Randlette.

Drum selections by Keith Conley, above, and a trumpet solo by David Brinkley, below, were features of the Jazz Concert.

The crew was composed of Donald Draper, Morgan Culliton, Mike Taylor, Ronnie Jackson, Stanley Clark, Ellen Krause. FRONT ROW - Connie Skipper, Paul Dunham, Richard Pultz, Donna Skipper, Craig Smith, and Bill Taylor.

The Ferguson stage crew considered of Mariner Thespians who contributed greatly of their time and efforts to the success of the productions of the drama department. Among their responsibilities were lighting, sound effects, staging and scenery. During the year some of their projects were the re-organization of a prop room, the organization of stage facilities, the repairing of stage equipment and the installation of new lighting devices.

The stage crew at play!

The crew celebrated their newly built prop room.

TEACH ME HOW TO CRY was the main dramatic production of the fall. Stars of this performance were Ellen Krause and Wayne McGee. Supporting characters were Susan Messall, Susie Finch, Susan Luscombe, Donna Crenshaw, Kenny Buckingham, Kitty Eggers, Donna Skipper, and Mike Chapin. Much assistance was given these people by the stage crew headed by Richard Pultz and Stanley Clark.

Wayne and Ellen dramatized an emotional scene on the bandstand.

The combination of three one-act plays was the major production of the spring of this year. "Professor Hobs" and "Tea Pot on the Rocks" were projects of the first year drama classes. "La Plume de ma Tante" was also presented at this time. This play was entered in the district dramatics tournament and was given superior ratings. Kitty Eggers won a state award of excellence for her performance in the latter play.

Susan Messall, Susan Luscombe, and Susie Finch rehearsed before the big night.

Other characters were Susan Luscombe, Kenny Buckingham, and Donna Crenshaw.

The Oarsmen ticket!

In the SCA elections held in the spring, the Oarsman ticket was headed by their presidential candidate Johnny English. Other Oarsman candidates were Steve O'Hara, vice president; Pam Palmer, secretary; Susan Fowler, treasurer; Kathy Colbourn, reporter; and Travis Taylor, parliamentarian. Skipper Vichness served as campaign manager.

The Pilots' presidential candidate was Donna Crenshaw. Seeking other offices were Billy New, vice president; Carol West, secretary; Cindy Rowe, treasurer; Sherri Skoog, reporter; and Molly Reid, parliamentarian. The campaign manager for the Pilots was Craig Foretich.

Supporting the Oarsmen in their demonstrations were Paula Britt, Betty Marie Millner, and Bev Miller.

Morning demonstrations added to the excitement of the campaigning days.

The week of SCA campaigning was long and the inspired Mariner from all grades participated in morning rallies in the cafeteria or auditorium while demonstrations were held in the halls and parking lot. The results of the voting split the opposing tickets in half. Victorious candidates were Donna Crenshaw, Billy New, Pam Palmer, Susan Fowler, Kathy Colbourn and Molly Reid.

The Pilot ticket!

Taking part in the Pilots' demonstration were Jeff McDermott, Macon Juergens, Sandy Wilson, John Willey, Dave Myers and Svein Lassen.

Parliamentarian

Clean-up after the assembly was a must.

Morning demonstrations provided an interesting diversion before home-room.

The conventional symbol of the Republican Party is the elephant.

Speaking out for Goldwater was Republican keynote guest Bryan B. Palmer.

Dressed in yellow and white, Goldwater cheerleaders aroused the spirit of Ferguson Republicans.

Craig Foretich advocated the Goldwaterites.

Sandy Wilson hands out the Republican songs to his demonstrators.

Ferguson went "all out" during the national elections. On October 15, the Mariners, under the direction of government teachers Mrs. Marika Anthony, held a giant political rally. The theme for the rally was "Democracy in Action." Enthusiasts supported their party by distributing handbills and buttons, displaying clever posters and participating in lively demonstrations.

Bev Miller awaits her chance to demonstrate for Goldwater.

# CRACY ACTION

One of the Democratic supporters speaking for Johnson was Rutherford C. Lake.

The Democrats used the traditional symbol of the donkey.

The Democrats emphasized their theme by presenting a live animal.

Skipper Vichness spoke out for Johnson.

Johnson fans decked themselves out as Texans and led the stage demonstrations.

Student speakers were Republican Craig Foretich and Democrat Skipper Vichness. The keynote speaker for the Johnson ticket was Lewis McMurran while the Goldwater camp was directed by keynoter Bryan B. Palmer. Other supporters were Rutherford C. Lake and Allen Diamondstein-Democrats - and William Nikel and Roy Aiken - Republicans.

Bonnie Tully and other Mariners distributed literature at the door.

Ferguson pepsters felt they had a lot to cheer about this year. Our two top rivals, Warwick and Hampton, were defeated in football and basketball respectively. In addition to cheering for these sports, the cheerleaders also began rooting at certain wrestling matches.

This was the game that REALLY was!

The head cheerleader also had a hard time getting the squad's attention.

Morning pep rallies held between the gyms were started during basketball season.

Ferguson pepsters backed up the Mariners.

Joining forces - J. V. and Varsity - proved very effective in closing cheers.

Doug Marshall, Mal Dunston, and Dave Myers seem to have mastered the art of bridge playing.

Other participants shown here in the rally were Gail Rowe, Bobby Hatten, Svein Lassen - Joe the Bartender, Art Casey - Matt, Connie McGuire - Kitty, and Susan Messall.

Our one and only pep rally held in the auditorium during school hours was before the tournament. The skit for this rally was a take-off on Gunsmoke. The Dodge City Saloon was the scene for merry-making for the Mariners before their victorious gunslinging tournament with the Cavaliersmen from Princess City. The Chorus girls, played by the cheerleaders, presented a spirited minstrel.

The chorus girls presented their minstrel during the floor show time.

Mariner gun-slingers looked on while the chorus girls aroused school spirit and enthusiasm.

Enthusiastic Mariners tried to yell loud enough to be heard "down the road."

FERGUSON FACES  
DENOTE THE VARIETY  
OF MARINER FEELINGS

The highlight of the working year for the Assembly Committee headed by Dave Myers and Sherri Skoog was the presentation of Stunt Night. Interested groups or individuals participated by displaying their talents.

The Key Club presented a very interesting skit entitled "Honest Art's Camel - lot!"

There was very good participation this year and the evening proved successful.

Mr. Randlette, sailed through the air in the teachers' skit.

Alternating nights as victims of pies and shaving cream in the Hi-Y skit were Mark Hughes and Jimmy Colbert.

Mr. Byrd and Mrs. Passage added culture to the teachers' skit "Duck Pond" adapted from "Swan Lake" by Miss Fivel.

Jane Ayers entertained the audience with her vocal ability.

# Saluting

Mrs. Vivien H. Neale was an able sponsor whose advice and hard work proved indispensable to the staff.

# Staff "A"

The entire staff worked hard typing and planning layouts.

A grateful thank you is extended to Jack Leiss, Jim Hewin, and Ralph Raccioppi for providing us with supplementary photographs.

Everyone enjoyed looking at the many pictures that were taken.

It was tedious work, but it was well worth our efforts.

Pictured here are Pat Weaver and Joyce Culliton, faculty and administration editors; Mary Smola, organizations editor; Susan Schultz, features editor; and Leslie Tiller, miscellaneous editor.

Jeff Garnett was a welcome addition to our staff second semester.

Classes editors were Susan Tilley, eighth grade; Susan Bryant, ninth grade; Beth Oram, tenth grade; Barbara Hoffman, twelfth grade; and Lola Wentland, eleventh grade.

The school year 1964-'65 is gone forever. It had sad moments as well as happy ones for us all. There are some memories we wish to forget; there are more we shall always cherish. This past June the Seniors reached the apex of their high school career--the uppermost bough. Although all Mariners will remember this year, the departing Seniors will view it with particular sentiment as they branch out into the world. Those who return to Ferguson will recall this year's growth and endeavor to heighten and strengthen Ferguson to further liken it to the towering tree whose qualities we so admire. Most Mariners will also remember that this was the year Lyndon Johnson defeated Barry Goldwater for the presidency of the United States, Nikita Khrushchev was ousted from his position as premier of Russia, rebellious uprisings in the Dominican Republic shared headlines with the war in Vietnam, civil rights demonstrations were prevalent in the South, Edward White actually walked in space, and peninsula residents were plagued by those frightful unidentified flying objects.

It is our hope that all aspects of school life at Ferguson have been accurately recorded in this '65 MARINER, and that memorable occasions are brought to the minds of all Mariners who explore its pages. Although a fruitful year has drawn to a close, the reminiscence of its eventfulness should never be abandoned.

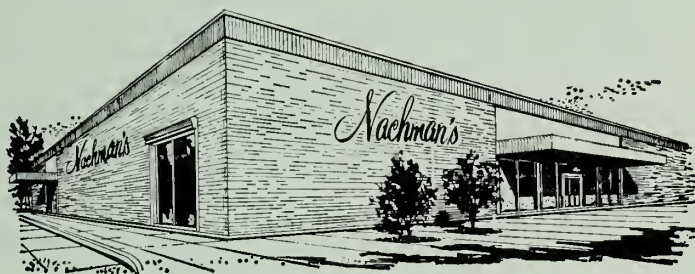

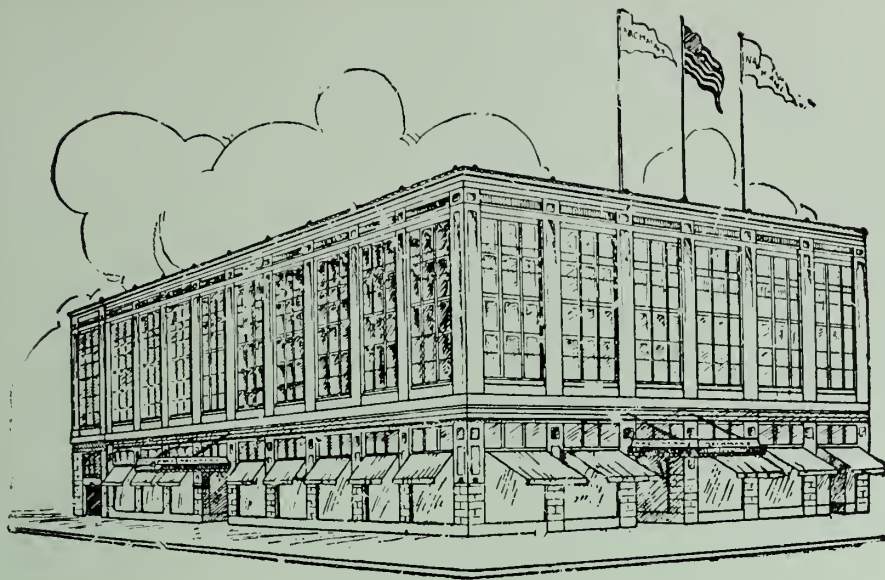

# ADVERTISEMENTS

Every September the MARINER staff begins its campaign to sell advertisements in order to raise money required to finance the publication of our annual. This year each member of the staff was assigned a certain area of Newport News where he was expected to approach every prospective buyer of an ad. At 2:30 each afternoon for six weeks, staffers left school to advance our sales. The students of Ferguson should greatly appreciate the patronage of the following firms, businesses, or persons, for without their support this annual could not have been published.

There are ninety-eight advertisements in this annual and twenty-two individual patronages. These facts represent much hard work for our business manager and her assistant. Many of the members of the staff enjoyed soliciting for ads, but this was only a part of the work to be done. The tedious job of planning the layout, drawing it on the layout sheet, and billing the merchants was yet to be accomplished. We endeavored to make this year's ad section more attractive and interesting by adding more pictures. These pictures were offered to the advertisers free of charge. As you can see, the hard work of the entire staff and especially the business staff resulted in enough funds to produce this volume.

# LOANS FOR LEARNING

In its ever broadening scope of community and customer services, the Bank of Warwick offers two college loan plans to high school graduates.

The first plan provides up to \$1,000 per year at 6% interest, repayable in low monthly installments.

The second plan is specifically designed for students entering State supported schools and allows a maximum of \$3,000 at 4½% interest covering the period while the student is in school, and 5% interest following graduation. The first payment is not due until six months after graduation.

Those students of good character, with an earnest desire for a college education, are cordially invited to inquire for further details at any Bank of Warwick office.
